

Please allow us to introduce Sovereign Security UKs Companies Finance Director, (The FD)

Sunil Gopal

What are the Primary and Secondary Responsibilities of a Finance Director?

Working alongside a business' MD, the Finance Director will not only be an exceptional accountant and hands-on with company finances but will also be commercially aware, advising on the best path of growth for the business.

The role for Sunil as Sovereign Security UK Finance Director, he overall control and responsibility for all financial aspects of company strategy and is expected to analyse figures and implement recommendations based on these findings, with the most profitable outcomes.

Often managing and leading a team through difficult periods including month end, year end and annual budgeting, Sunil needs excellent communication skills with all levels of staff, often having to work with various departments to help them plan and manage their own budgets.

In periods of change and growth an effective Sunil "Finance Director" is critical, coordinating corporate finance and managing company policies regarding capital requirements, debt, taxation, equity and acquisitions as appropriate.

#### **FD duties and responsibilities (Sunil)**

Sunil is to perform any of the following tasks:

- Form a close working relationship with the Managing Director, other Senior Executives and Non-Executives.
- Provide leadership to the Board's Finance and Accounting strategy, to optimise the company's financial performance and strategic position.
- Take overall control of the company's accounting function

- Contribute fully to the development of company strategy across all areas of the business, challenging assumptions and decision-making as appropriate and providing financial analysis and guidance on all activities, plans, targets and business drivers.
- Ensure that company financial systems are robust, compliant and support current activities and future growth.
- Lead and develop finance teams.
- Work with senior teams to grow the business, formulating strategies and plans.
- Ensure corporate budgeting processes are carried out and reviewed.
- Take ultimate responsibility for the company cash management policies.
- Present annual accounts to MD.
- Ensure that the regulatory requirements of all statutory bodies are met.
- Corporate finance: manage company policies regarding capital requirements, debt, taxation, equity, disposals and acquisitions, as appropriate.
