

## Case Study – Collegiate

Nottingham is a thriving, vibrant city with an excellent social scene, a wealth of cultural attractions and enough leisure and retail facilities to keep even the most committed shopaholic happy. Nova is ideally located for enjoying the best that the city has to offer.

Nova has been positioned to benefit from some of Nottingham's most well-known attractions. The amazing city centre location is just around the corner from some of the best nightlife on offer, including plentiful bars and clubs like the fabulous Rock City.

At Nova you'll be in the midst of the bustling culture of Nottingham, with shops, restaurants and leisure facilities just a short walk away.

Additionally, Nottingham Trent University is easily reachable – Nova residents can access its union and campus buildings in five minutes on foot.

Taking all of the above into account security onsite play a major part in keeping the student and our assets safe.

Security is provided at this property from midnight through to 0800 Monday through to Friday and the same at the weekend, the hours covered by security onsite during this time is key to the safety and protection of our property.

Students feel safe knowing they have security patrolling, monitoring and being approachable for help, security position themselves on the main reception and act as a deuterate to anyone thinking they can gain access to site unchallenged.

With safety in mind security are at the forefront of everything that occurs onsite and perform an acting role not only towards the students but towards the Nova team.
