

Case Study – Nido Students

Here at Nido Student, their goal is to make sure that your student days will be ones to remember.

Location is key when picking student accommodation, which is why they hand-select each residence to make sure you're close to your university and the city centre, so you never have to worry about being late to a class or a party.

Their award-winning service will make you feel like you're at home.

They want you to live your best student life, so we've got event calendars that will introduce you to new friends, experiences and accomplishments throughout your stay with us.

Taking all of the above into account security onsite play a major part in keeping the student and our assets safe.

Security is provided at across a number of properties in the following Cities, Southampton, Cambridge, Liverpool and Edinburgh, hours of cover is nights and weekends mainly, security take control and the lead once the Nido management team have left the property, a smooth handover is completed allowing for security to take ownership of the said property.

Students feel safe knowing they have security patrolling, monitoring and being approachable for help, security position themselves on the main reception and act as a deuterate to anyone thinking they can gain access to site unchallenged.

With safety in mind security are at the forefront of everything that occurs onsite and perform an acting role not only towards the students but towards the Nido management team.
