Taking into account security onsite play a major part in keeping the student and our assets safe.

Security is provided on an adhoc basis as Study Inn employee in-house security teams, however from time to time these officers need holidays, cannot cover which is when Sovereign step in as their preferred supplier, we have a pool of fully trained guards who can quickly be assigned and deployed to any property

Students feel safe knowing they have security patrolling, monitoring and being approachable for help, security position themselves on the main reception and act as a deuterate to anyone thinking they can gain access to site unchallenged.

With safety in mind security are at the forefront of everything that occurs onsite and perform an acting role not only towards the students but towards the Study Inn Management Team.
